Report of the accounting committee, financial year 2016

I have executed the audit in accordance with the set of laws of the Ju Jitsu International Federation (JJIF) and have randomly investigated the accounting of the book year 2016.

I can declare that there were no irregularities found.

Because of the absence of the other auditor, mister Chuchart Boonchai I have to take the responsibility of the audit myself. Of course this is not a good procedure, but we have to deal with this issue.

I can also declare that JJIF have a total surplus/loss of € 49.600.25 on the balance sheet.

Together with the financial director of JJIF, mister Mortelmans, the book control shows that JJIF responsible, mister Panagiotis, did a proper job.
